Science Contest

Exhibit your Skills to the World!

The International **FSP Contests** is committed to providing **high-quality extension programs** that inspire, challenge, and raise the aspirations of students in various fields of knowledge, proudly co-hosted by our global partners.

OUR JOURNEY & GLOBAL EXPANSION

Since our inception in 2021,FSP has successfully conducted over 25 national contests and has expanded internationally through our collaboration with Academic Contests Australia.

We are proudly promoting our participating institutes and students in.

IWISE – UK, Teen Eagle – UK - GENIUS Olympiad – USA, Owlypia – UK, ADEPT – Hong Kong SEED-ASDEN – China, SIMCC – Singapore - AMT – Australia

QUALITY & TRANSPARENCY

Our contests are developed by highly qualified subject specialists from reputed institutions, ensuring the highest standards of quality and relevance.

OUR COMMITMENT TO FAIRNESS

To maintain transparency and fairness, we employ OMR- based processing with high-speed scanners and computerized result processing systems. Additionally, our trained representatives are present during contests to ensure smooth and efficient administration.

PROPOSED COLLABORATION

We are pleased to share detailed information regarding our contests and would like to propose a central-level collaboration with your esteemed division. Our objective is to promote maximum student participation across all institutions, and we firmly believe that your guidance and support will be instrumental in achieving this goal.

BENEFITS FOR PAKISTANI STUDENTS

International FSP Contests are more than "extra exams" for Pakistani students – they're a game-changer.

Unlike board exams that reward memorization, FSP builds logic, patterns and real-life problem solving, plus time-pressure skills that help in MDCAT, ECAT and NTS.

A "FSP High Distinction – Top 1%"

award boosts CVs for LUMS, IBA, NUST, FAST and even foreign universities,
while medals and certificates motivate students, especially in small cities with few competitions.

The puzzle-style papers turn Math, Science, English, Art & Creative writing fear into fun, build a growth mindset, and give national pride when Pakistani kids compete at global standards.

For Pakistan specifically, FSP fills the gap of limited local competitions, helps schools spot talent from remote areas, and works as an affordable alternative to tuition by showing exact weak topics through its report card.

FSP Contests empower Pakistani students to LEARN BETTER, PERFORM HIGHER & DREAM BIGGER!

OUR VIBRANT YOUNGSTERS

Exhibit your Skills to the World!

OUR VIBRANT YOUNGSTERS

Exhibit your Skills to the World!

BENEFITS FOR PRINCIPALS & SCHOOLS

School Reputation Boost:
Attaining national and international rankings places your school on the map. Parents highly value and look for FSP results.

Global Student Bench marking:
Evaluate where your students stand compared to peers in over 80 countries.
This provides clear, data-driven insights for parent meetings and marketing materials.

Enrollment Management:
FSP participation serves as a powerful selling point for admissions, effectively differentiating your school from competitors.

Low Effort, High Impact:
FSP manages registration, testing materials, and results. Your school simply provides the space and coordinates the students.

Prestigious Recognition:
Top-performing schools and students receive certificates, medals, and trophies—perfect for celebrating on social media and during annual day ceremonies.

BENEFITS FOR TEACHERS

Ready-Made Assessment Tool:
Evaluates logical thinking rather than rote learning, saving you the time and effort required to design challenging questions.

Detailed Diagnostic Reports:
Comprehensive results analysis highlights class-wide strengths and weaknesses, helping you tailor future lesson plans more effectively.

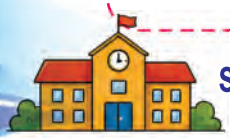

Boosted Student Motivation:
Students enthusiastically prepare for an "international contests," making Math, English, Science, Art and Creative writing engaging and exciting beyond standard textbook routines.

Professional Growth:
Gain direct exposure to global questioning patterns and integrate these advanced problem-solving techniques into your daily teaching.

Teacher Rewards:
Instructors of top-performing students are recognized and rewarded with certificates and official commendations from FSP Pakistan. Principals gain brand value and actionable data, while teachers receive valuable student insights and reduced preparation workloads.

STRONGER SCHOOLS, EMPOWERED TEACHERS, BRIGHTER FUTURES!

FSP RULES, REGULATIONS AND SPECIFICATIONS

ART CONTEST

- Art must be created by an individual student.
- A4 size paper should be used. However, the Art SHOULD NOT exceed 24" x 18" size.
- There is no restriction on the medium used. Participants are free to choose any medium that they feel comfortable with or have access to. They can therefore create their artwork using pencils, coloured pencils, sketch pens, ink pens, crayons, pastels, water colours, acrylic colours, oil colours and any other medium
- Participants may submit only ONE entry for Art contest. Additional entries will not be entertained and will be disqualified.
- The name of the contestant SHOULD appear on the Art. A duly filled Participant Submission Detail must accompany each entry.
- Participants must refrain from including inappropriate or profane language or content.
- Entries will not be returned.
- Please make a copy of your entry before submitting it. Participants warrant that they are the sole creator of their piece.

CREATIVE WRITING CONTEST

- All submissions must be in English. All manuscripts may be written by hand or typed on a computer using only white A4-size paper. Each page needs to have a unique number. No work that has already been published may be submitted. The work must be unique. Any words or concepts that are not your own must be properly recognised.
- The composition, subject handling, and other creative aspects deemed appropriate by the judges will be taken into consideration while judging entries.
- The name of the contestant SHOULD NOT appear on the manuscript. A duly filled Participant Submission Form must accompany each entry. Any writing under suspicion of plagiarism will be disqualified.
- Entries will not be returned. Please make a copy of your entry before submitting it.

Evaluation Criteria:

- Content and Body (maximum 40 points), Sentence Formation (maximum 20 points), Style (maximum 20 points), Creativity (maximum 20 points)

Words Limit:

- (Grade 1 & 2): 50-80 words
- (Grade 3 & 4): 150-200 words
- (Grade 5 & 6): 230-280 words
- (Grade 7 & 8):350-400 words
- (Grade 9 & 10): 500-550 words
